

**Riteway references:**

**1): I was very pleased with this company. Not only were they very professional by their detailed proposal, but they also were very punctual and very thorough with the clean up process. Ours was a very messy job but Riteway cleaned everything down to the dust that had gone on our neighbors property. They performed everything that was listed in our proposal and work was done exceptionally. They get an A+ in our book. Bravo!! We will highly recommend them. B.L., LaGrange Park**

**2): This company is to be highly regarded as being very professional and thorough. Rick discussed our job in detail to us being we are senior citizens and on a fixed income. His price was not only fair but there were no hidden add-ons thrown in at the end. His crew was great and very friendly. Clean up was performed perfectly. House looks great!! Will definitely use them again if the need arises. C.K., N. Riverside**

**3): Such a pleasure to have worked with such a great and honest company. There are so many scammers out there to watch out for. Though ours was not a huge, expensive job, we were treated with such respect and professionalism. What a joy to get not only what is paid for, but job was done when scheduled and done very well. Big high five to Rick and his crew. L.P. Berwyn**

**4) What a great experience it was to have worked with your company. We originally hired and gave money down to another company. Low and behold after 2 weeks of not showing up, we could not get ahold of them. Our fault for going with a low price. You not only gave us a good price, but you gave us multiple numbers that we could always reach you at. Your proposal matched the work that was done. Very pleased from start to finish. Thanks again . It is nice to know that there are honest contractors still out there. A. C. Cicero**

**5): Thanks so much for your great work and professionalism. Chimney looks great. We will highly recommend you in the future. S.J. Berwyn**

**6): We are so glad that we choose your company to tuckpoint our whole house. Your estimate was very detailed and came in the middle of the others that we obtained. We knew better than going with the cheapest and are glad we choose your company. Work was done very professionally and clean up was performed every day. We couldn't be happier with the end result. Whole house looks great and nothing was missed. Thanks again. H.T. LaGrange**

**7): Being that money is very tight these days it was so nice to find an honest and fair company. Rick and his crew were fantastic. Rick worked with us on every level and gave us a price that we were very pleased with. Being disabled and on a fixed income we had to choose**

wisely and are very pleased that we choose Riteway. They put our minds at ease and now we have the best looking house on the block. Kudos to you. B.M. Forest Park

8): Hats off to Riteway. You guys are wonderful. Rick gave us a detailed proposal and went over every step with us. Job was completed in a timely and professional manner. Clean up was also performed to a tee. Great work!! Stone chimney looks great and my neighbors are jealous. D.S. Hinsdale

9): Very pleased with your company. Fair price for great work. Workers were helpful with our questions and job was done to our specifications. Will recommend you whenever the need arises. Front looks great. Thanks. K.F. Oak Brook

10): Though ours was just a small spot tuckpointing job, Rick treated us like we were spending thousands. He was very professional and timely with our appointment. Work and clean up was performed exactly as he said it would be. What a pleasure. We will be using them again if needed. R.M. Countryside
